****These are required dates. Please check these dates now and send any conflicts or problems with these dates to Ms. Huddilston or Mrs. Hartman ASAP! These are required performance/rehearsal dates and will count towards student grades for this class. Accommodations and communications with coaches or other leaders will be made upon request. Parents – please help your student with the organization of these events. This is an important process in responsibility and for some students is the beginning of making commitments and managing their own schedule.**

Eastside Music Company – you will have this schedule as well as additional community performance dates as they are requested. Dates will be shared 3-6 weeks prior and company members are required to be responsible and keep a calendar of these community commitments.
